Paintup Program Gains Momentum As Meets Called

Paint Companies To Show Program At Public Meeting Here

Three steps in the Truckee Donner Chamber of Commerce plan to sponsor a cleanup, paintup project here this spring will be taken shortly as the program gains momentum and interests mounts.

A second major paint company, Fuller, has entered the picture and representatives of that firm will be here Monday to go over details of their plan with local chamber members at a luncheon meeting at Smart's.

The second step will be taken March 9 when the Pabco Paint Company representatives will return to provide a resume of their finding as a result of a recent survey they made of the area.

The final step is scheduled for March 18 at an evening meeting, proposed for the high school, when the public will be invited to attend and hear and see the proposals of the two companies.

These dates were announced at a meeting of the directors of the chamber of commerce yesterday at Brown's. President N. F. Dolley presided and reported on the development in the project plans. Both Mrs. Miles Horne of Tahoe Truckee Lumber Co., who represents the Fuller Company and Rex Reid of the Builders Service Center, the Pabco dealer, were called upon to speak on the proposals of their companies.

Also discussed at the meeting was the proposed public parking lot on the site formerly occupied by the S. P. Hotel. A lease with the Southern Pacific for use of the land is under advisement.

Supervisor H. G. Loehr explained his findings regarding a request by the chamber for restoration of the old Rocking Stone Tower and a committee was appointed to work with him on the project. It comprises Daven Morey, Walter Barrett and C. Z. Smith.

Petitions Received On Border Dispute

The discussion between legislators of Nevada and California over the former's claim that it was robbed of some 800,000 acres of land by California about 100 years ago, is gaining publicity from all quarters and has reached the attention of the Truckee Donner Chamber of Commerce.

Nevada is petitioning to have the land returned together with taxes collected by California during all these years.

Border guards are reported to be organizing and there was even talk of formation of a navy unit to protect the boundries in Lake Tahoe. One Nevada legislator is quoted as saying they want the land back but not until California has paid off for the 1960 Olympic Games.

At any rate, N. F. Dolley, president of the Truckee Donner Chamber of Commerce, this week received several blank petitions with a request that signatures of residents living in this area be obtained and the petition returned to Senator Whitacre at Carson City. The papers were sent over by Assemblyman Don Crawford and are simple enough. They ask that land "rightfully belonging to Nevada and wrongly held by California" be returned.

The bill, AB 286, is creating a lot of controversy but apparently no one is taking it too seriously at this time.

BUFFET DINNER IS PLANNED BY CHURCH

TAHOE CITY — A buffet dinner between the hours of 8 and 10 on Friday, March 6 will be held at Crystal Bay Club, for the benefit of St. Nicholas Mission at Tahoe City.

Mrs. C. Henrikson said that those interested in the project are welcome.

HUFFS HEAR GAMES REPORT ON VOYAGE

Mr. and Mrs. Don Huff of Homewood, on a business trip to the Hawaiian Islands sent a daily paper article published at sea by the Matson Lines, giving an accurate account of the current pre-Olympic trials, from Squaw Valley. The Huffs sailed February 16 for their destination.

ED CRANDALLS HOME AFTER VALLEY TRIP

Mr. and Mrs. Ed Crandall are home after visiting their first grand child who was welcomed by her parents, Mr. and Mrs. Edwin B. Crandall, February 17 at Modesto.

Anna Jean's proud grandmother said that the diminutive baby is thriving in an incubator, having weighed in at three pounds and 7½ ounces and measured only 16 inches on arrival.

The local couple also visited at Oakland and Oroville enroute.

Precipitation Over Normal In Area As Weather Clearing

February, to date, has passed the normal precipitation for the month of 5.29 with 7.81 but the total for the season is 19.43 with the total seasonal to date of 18.45.

There are only 20 inches of snow at the Forest Service Office at Truckee as compared with 35 inches at the same date last year.

High temperature during the past week was 41 degrees on Saturday, 9 degrees for low on Wednesday.

TAHOE CITY — During the past week, 17⅛ inches of new snow fell at Tahoe City and Tuesday morning the pack on the ground here was 32 inches. Precipitation for the recent storms was 1.86 inches.

The highest temperature during the week was 39 degrees on Friday and the low was 14 on Monday.

The lake level, subject to revision, Tuesday morning was 6227.-68 feet and all gates in the Truckee river were closed.

Benefit Game For Skier On March 4

Preparations have been completed for a benefit basketball game between the Truckee and Tahoe City all-stars on March 4 at 7:30 p.m. at the high school gym.

Charles Fink, chairman of the committee in charge, said the fund will be used to send Jimmy Heuga, Tahoe's Olympic skiing hopeful to the qualifying meet in Washington. Jimmy has made an excellent local record and it is hoped by his sponsors to provide his transportation to the meet.

Tickets for the game are selling at $1 for adults and 25c for children and a big turnout is anticipated.

DELAYED FUND DRIVE SET FOR SATURDAY

The Heart Fund drive, sponsored by the Odd Fellows and Rebekah Lodges and scheduled for two weeks ago was cancelled because of adverse weather conditions, but will be held this Saturday, February 28th, Charles Vind, head of the Odd Fellows, announced.

The sponsors ask that everyone have their contributions ready when the workers call.

CANCER FILMS TO BE SHOWN AT MEETING

TAHOE VISTA — The Washoe County unit of the American Cancer Society of Nevada will show their latest film for the Lake Tahoe Newcomers Club luncheon. This showing will be at Crystal Bay Club March 5 at 1 p.m.

All women of the area are urged to attend. Mrs. H. E. Kornmayer, executive secretary of the Cancer Society, assured Mrs. Ruth Axelson, program chairman, that all seeing the film will be pleased with its presentation and life-saving message it demonstrates. The film is in color. Mrs. Maxine Bacus, club president, said the cost of the luncheon will be $1.50.

RAIL WORKERS ARE BACKING CAMERON

Calvin W. Kramer, secretary of the Brotherhood of Maintenance of Way Employees unit at Sacramento and Roseville, announced that the organization has voted to endorse Democratic Candidate Ronald Cameron as state senator from Nevada, Placer and Sierra counties.

Cameron, accompanied by Van Dempsey of the state democratic central committee, spent several days in the high Sierra counties last week and reported a good reception throughout the Truckee and Lake Tahoe areas.

SUPERVISOR SLATED TO ADDRESS MEET

Supervisor Frank Paoli of Colfax will be a special guest of the North Tahoe Community Club meeting to be held Wednesday March 4 in the Carpenters Hall at Kings Beach.

All interested are welcome to the affair.

Bay Bound—

The Walter Jellin family have been taking a vacation in the Bay area.

Traffic Continues To Show Gain In Truckee District

Truckee In Fourth Place Among Stations As Entry Point

Traveling into California over U. S. Highway 40 during January was only slightly below the figure established for December, with 29,301 cars, 3,827 trucks and 673 buses, carrying 90,624 passengers, being checked at the local quarantine station.

This was only a thousand cars less than were checked during December and was up over 8,000 cars compared to the same month last year.

The Truckee station was in fourth place as a port of entry among the state's 17 reporting stations, exceeded only by Blythe, Winterhaven and Yermo.

Meyers Station, on Highway 50, reported 5,868 cars, 496 trucks and 34 buses, with a passenger total of 16,112 for last month. This was a slight drop from the count during January of last year when 5,996 cars were checked.

The local totals were reflected in the state count. A total of 290,-577 cars, 32,862 trucks and 3,621 buses were checked with 820,-513 passengers, compared to December's 324,902 cars, 31,077 trucks and 3,918 buses and a passenger total of 937, 678.

The traffic count is made only of vehicles entering the state from the east and does not include eastbound traffic or local cars.

Two Accidents In Area Are Reported

John C. Rowley, 16 years old Ogden, Utah, boy was held for federal officers on a charge of taking a stolen car across the state line following his arrest last Thursday by the California Highway Patrol.

Rowley was taken to the Tahoe Forest Hospital for treatment after his car and one operated by Mrs. Catherina Inderbitzen of Truckee were involved in a collision nine miles east of here. Rowley was turned over to a U. S. marshal. Mrs. Inderbitzen was not injured.

David Haut, 21, San Carlos, was taken to a Nevada City hospital Saturday afternoon when he was pinned between the bumper of his car and one driven by Tim Kimball, 20, Martinez a mile east of Kingvale. Haut was standing behind his car when the Kimball machine got out of control and skidded into him. Kimball was cited by the CHP for not having his vehicle under control.

TAHOE SCOUTS AID IN CHAMPIONSHIPS

TAHOE CITY — Six Boy Scouts of Troop No. 27 at Tahoe City, took an active part in the work during the first day of the North American Championships at Squaw Valley. They served as messengers for the personnel, transportation and medical departments. They are Roger Michener, Garry Burmer, Christian Burmer, Ken Kimball, Jim Kimball and Ron Matthewson.

The boys also plan to participate during the coming weekend.

Troop No. 27 got off to a good start at their first meeting last Tuesday. Plans are to have a hike every month, each hike to have a definite purpose. The boys also are anxious to start a rifle and archery team. Art Ponero, operator for the state division of highways will give instructions, of handling the bow and arrow.

Scout meetings are held every Tuesday between 7 and 9 p.m. at the Community Center in Tahoe City.

GROW UNDERGOES SURGERY IN ARMY

Tom Grow with the U. S. Army in Germany underwent an operation yesterday for an old knee injury.

The local young man will be on the recovering list for at least six weeks, according to a letter received by his parents, Mr. and Mrs. Leslie Grow.

HAMS COOPERATE

Twenty two amateur radio operators from the Sacramento area volunteered their services in manning the medical emergency radio network at Squaw Valley for the North American Championships.

SUNBEAMS

By WALTER M. BARRETT

If there was only one resort and one community in the region, the reports which were circulated quite widely last weekend advising people to stay out of the snow country and "bring your lunch" might have been in good form However, there are scores of excellent resorts and a number of progressive communities which were fully prepared for the usual influx of Washington Birthday holiday visitors and suffered from the reports as scores of people stayed at home, alarmed by the persistent reports of lack of accommodations and heavy traffic. Despite the beautiful weather and well cleared roads, the holiday was less than a normal one.

* * *

Those who visited Squaw Valley during the weekend could not help being impressed with the efficient, courteous manner in which they were treated by the officers of the California Highway Patrol. This group of officers, numbering over 50, handled the traffic situation in an admirable manner and this week's bouquet is handed to them for their efforts. It is gratifying to know that during the Olympic Games next year, more than 200 of these men will be on the job in this community.

* * *

A bouquet, too to the division of highways crews. Despite the adverse conditions, heavy traffic and other handicaps, the roads throughout the area were kept in good condition as equipment was operated on a 24-hour a day basis.

Exam Is Scheduled For CHP Aides Here

To fill any vacancies which may occur at the Truckee office of the California Highway Patrol, a radio-dispatcher examination will be held March 28 and the final date for making application has been set for Friday, March 6th.

Details may be obtained from Sergeant Frank Snyder at the Truckee office.

A typing certification which may be obtained from any office of the state department must accompany the application. The applicant must be able to type 40 words per minute, have a high school education or equivalent and a voice which will serve on the radio with clarity.

Shifts will be rotated and successful candidates must be prepared to work holidays and on irregular hours.

ROTARY TO OBSERVE FOUNDING MARCH 9

The 54th anniversary of the founding of the Rotary Clubs, started at Chicago, Illinois, February 23, 1905 will be celebrated by the members of the local group and their ladies at 7 o'clock in the Alpine Riverside Hotel, March 9.

William Randall, chairman of the affair has promised a pleasing musical program, following the dinner meet.

Members are requested to attend and enjoy the occasion.

PASTIME, BROWN'S LOCAL HOOP CHAMPS

Pastime Club and Brown's Cafe were the first winners of the first round of playoff games in the Truckee Athletic League this week. Last Tuesday saw the zone get under way with Pastime of Truckee knocking off Mariers Marauders, 38-29. The seeond contest saw Brown's Cafe edge past the American Legion, 46-43.

Tonight the winners of the following games will play: Pastime vs. Brown's, St. Louis Vs. Mariers; the losers pair off in the second game. These games were to have been played last night.

First game starts at 7:00 while later on the next tilt begins around 8:30. These are the last regular scheduled games for the local hoopsters, while the Pastime will travel to Sparks, Monday, to take on Sparks 20-30.

The total population of the earth is estimated to be 2,260,000,000.

Wolverines Lose Final Games; Will Play In Zone Meet

Local Win From Stewart, Lose to Yerington As Play Ends

BY JOHN FIRPO
Sports Editor Tahoe Truckee H. S.

Completing a poor season last week the Tahoe Truckee Wolverines split their last regular scheduled ballgames. The Yerington Lions were the last team to beat the Wolverines this season in league play with a 52-40 verdict. The following evening the Mountain Men returned to their home court and put the cap on the league bottle by stomping the Stewart Braves, 61-41. The win plus the loss gave the Wolverines a 3-9 conference record (sixth place) and an overall rating of 6-11.

At Yerington the Cardinal and White kept close to the Lions from the very start after leading 9-6 at the end of the initial frame: then losing the lead to the Lions 25-17 at intermission. The home town Lions pulled away in the third, 42-31 and were never in danger after that. Bob Merica poured in 19 points to take high for the game while teammate Craig Robinson tallied 10.

Saturdays game was a combination of Wolverine ball control and offensive shooting, which incidentally was hot. The Mountaineers led 19-10, 33-16, and 49-20. It was only until the fourth quarter when the Braves scoring upped and contributed 21 points in that frame against the Wolverines reserves. Rex Donaldson, Bob Merica, and Craig Robinson not to leave out Gary Hulbert, who played the best game of his career, were sensational on the boards and offensively also. Donaldson took high honors with 15 points while Craig Robinson had 12 and Hulbert 11.

In the Junior Varsity prelims the Cubs also split to end their season with a 5-13 slate. First night the junior Wolverines dropped a 47-35 scrape to the Yerington J.V. and then came back home to tromp the Stewart Jay Vee, 61-46. Leroy Ryser was the "Cubs" top gun both nights with 13 and 27 respectively.

Today the Wolverines travel to Gardnerville, Nevada to play the first game in the Western Nevada "A" conference zone meet at 2:30 against South Tahoe. If the Wolverines win they would play the game Friday night. If they win or lose there they would still play Saturday evening for the championship or third place depending on their Friday results.

PAST OFFFICERS TO BE FETED BY O. E. S.

Truckee Chapter No. 116 O. E. S. will honor Past Matrons and Past Patrons during their regular meeting, March 3.

Selected to serve as honorary officers during the opening ceremony include: Miriam Zwarg, W. M.; James McIver, W. P.; Hannah Stewart, A. M.; Stanley Zwarg, A. P.; Georgia Follett, Sec.; Louise Anderson, Treas.; Dorothy King, Cond.; Ametta Firpo, Asso. Cond.; Lillian L. Miller, Chaplain; Victoria McIver, Marshal; Hilda Hintz, Adah; Lillian R. Miller, Ruth; Evelyn Mandeville, Esther; Elizabeth Bavier, Martha; Ida Crandall, Electa; Charles B. White, Sentinel; Dan Anderson, flagbearer.

Margaret Holt is chairman of the refreshment committee.

OAKLAND SKI CLUB RACES THIS WEEK

NORDEN — The Oakland Ski Club Championships, annually held at Sugar Bowl, will take place this coming weekend, February 28th and March 1st; downhill on Saturday and slalom on Sunday.

The Warren Vanderbilt Memorial Intercollegiate Four-Way is scheduled for March 6-7-8. This meet is sponsored by the University of California Ski Club and was held for the first time in 1938 as a memorial to Warren Vanderbilt, Cal's first ski team captain.

He was the best downhill man in any western college before his death in 1937 as a result of a rock climbing accident at Clipper Gap. The race has now become one of the most important of the Western intercollegiate ski meets.

The course will be set by Sugar Bowl's Ski School Director, Junior Bounous. Participants will be the University of Nevada, Sierra Collega, Chico State, U.C.L.A., Stanford, San Jose State and University of California.

Van Sickles Win In Dog Races; Local Boy Makes Debut

Lloyd VanSickle, world champion dog racer, has added to his long list of trophies by winning the sled dog race at West Yellowstone, Montana, according to word from that town.

The Truckee man drove a team of Targhee hounds.

Sandy VanSickle, Lloyd's daughter, who is following the footsteps of her father, again won the women's race, while his son, Steve, won second place in the PeeWee race. Daughter, Sandra, placed fifth in the Women's races and Lloyd's uncle, Ned Van Sickle, a former Truckee resident, and 63 years of age, won the Husky race just to kep it all in the family.

Stan Rasmussen of Truckee placed sixth in a field of eleven entries and was a favorite of the crowd for his sportsmanship. This was Stan's first dog race and his placing was considered very good by the professional drivers.

"Red", Stan's Irish Setter and his lead dog, was the crowd's favorite. The local youth plans to participate in the American Dog Derby at Ashton, Idaho, March 7.

The Van Sickles plan to be home in May and want to participate in the proposed cleanup, paintup campaign.

Hooper Sentenced For Theft Charges

AUBURN — Superior Judge L. J. Propp of Placer County sentenced Berton H. Hooper, 60, Lake Tahoe contractor, to state prison on charges of grand theft and forgery, to which he had entered pleas of guilty in Auburn judical district court.

Hooper previously had tried to plead guilty but the case was remanded to the judical court on technical grounds by Judge Propp. He re-appeared before Judge Propp yesterday.

Undersheriff Fay Bates said he will be delivered to the medical facility at Vacaville today.

Hooper was accused of mis-use of funds advanced to him for the construction of Our Lady of the Lake Church in Kings Beach.

OUTER SPACE FILMS VIEWED BY CLASSES

Dr. Werhner Von Braun visited Tahoe-Truckee High school, on Tuesday, February 17. Students in the audio-visual class, physics class, and math classes saw the movie "Challenge Into Outer Space."

Some of the highlights discussed and illustrated were as follows: How a space vehicle can be placed and remain in orbit, visions of what a space station will look like, how man might return to earth from a space platform, and how man can navigate in space. High acceleration and weightlessness were defined and discussed as major problems to overcome.

Dr. Von Braun, WW II German V2 rocket expert, is director of space vehicles and missiles at the U. S. Army Ordinance Test Station, Huntsville, Ala.

FIRST AID CLASSES AT LAKE COMPLETE

TAHOE CITY — The advanced first aid class, conducted at Tahoe City by Marie Henry was completed, February 18 by Mrs. Carl Bechdolt, Sr., Harold Farr, Odd Hodne, James Schwartzman, Norman Wilson of Tahoe City, Melvin Jones of Carnelian Bay, Richard Wright of Kings Beach and Robert West of Truckee.

At the close of the classes Mrs. Bechdolt took a large cake decorated with a sugar red cross, and served with coffee, while the group informally discussed the course.

RECEIVES HONORS

CRYSTAL BAY — John Rayburn of Crystal Bay will receive his 35 year pin and William K. Wolf of Al Tahoe, Calif., will get his 30 year pin at a meeting of the Lake Tahoe Elks Lodge 2094 at 8 p.m. Thursday in the Crystal Bay Club.

New Lion

Bill Benish of the B&B Truck Parts at Gateway was inducted into the Lions Club at a meeting held at Donner Lake last night. Frank Gaiennie was in charge of the rites. Bob Moyer of Woodland was a visitor.

Trophy Banquet Concludes First Portion Of Games

Werner, Linda Meyers Are Top Victors In Ski Competition

More than 300 people Monday night attended the award dinner at Nevada Lodge in Crvstal Bay to see highest honors for the North American Championships Alpine events presented to Bud Werner of Steamboat Springs, Colo., and Linda Meyers, Mammoth Mountain.

The affair ended the first of the two weekend events designed to select champions for entry into the 1960 Olympic Winter Games a year hence. The Nordic events, featuring the world's best jumpers and skiers will be staged at Squaw Valley this weekend.

Werner, in one of the wildest races ever staged, threw himself down KT-22's slopes Monday to win the downhill as well as the combined events, outskiing the veteran Christian Pravda, a world champ.

The 21 year old Linda Meyers and Beverly Anderson of Mullin, Idaho, distinguished themselves in the women's events. Linda easily captured the downhill for women while Beverly, third by a second in the downhill, edged her rival by a fractional point in the combined.

Ken Llovd of the FWSA was a full four seconds behind Werner in the downhill and was onlv 7-10 of a second ahead of Austian ace, Tony Marth. Pravda tied with Charles Ferries for third place.

In the combined. it was Werner, Pravda and Marvin Melville.

Tahoe's Jimmv Heuga was tied for 26th place in the downhill and was 14th in the combined.

In the women's downhill Linda Mevers was followed by Renie Cox and Beverly Anderson and in the combined. it was Beverlv Anderson, Linda Meyers and Sally Deaver.

HALE PRESIDES

Prentis C. Hale, president of the Olympic Organizing Committee, officiated as master of ceremonies at the award dinner and introduced a number of outstanding guests, including John Jewett Garland, a member of the IOC and former member of the California Olympic Commission who presented the awards to the women victors.

Jack Starratt, of Tahoe City, chairman of the hospitality committee for the organizing committee, was given a special mention for his part in arranging the dinner, which was a pronounced success.

VETERAN HONORED

Special honors were bestowed upon Charles Proctor of Badger Pass, a veteran skier and former Olympic champ, who has been voted into the Skiing Hall of Fame.

BUSY VALLEY

Squaw Valley during the weekend was filled with spectators who marveled at the work which has been done in preparing for the games next year. The parking area was not in condition, but a parking system for the 2,000 vehicles was arranged and worked well, with cars extending a mile and a half along Route 89 and passengers being transported into the valley by bus.

The ice rink in excellent condition with the exception of Monday and hockey games, figure skating and other activities attracted the attention of the 6,000 daily visitors.

The hills were dotted with skiers at all hours and while few accidents were reported, with broken bones predominating, it it was generally orderly and events were interesting, fast and carried out in good style.

CHARGE THIS WEEK

The huge IBM tabulating machine was put into action and the scores of reporters present were loud in their praise for the speed and accuracy with which tabulations were completed and made available.

This week is expected to attract even a greater number to the valley, although a $2 charge for adults will be made. This charge may be used in exchange for lift and tow tickets on the Squaw Valley facilities.

PLANS FOR YEAR TO BE MADE BY CHURCH

TAHOE CITY — A discussion of plans for the year and selection of committees will be held at the March 11 parish meeting of St. Nicholas Mission at Tahoe City.

The members will convene at 8 o'clock.

MEET DELAYED

AUBURN — A meeting of the Placer County supervisors with the California-Nevada Interstate Compact Commission on Lake Tahoe water problems has been postponed until 2 p.m., March 20th.

FUNERAL HELD

Funeral rites were held Monday in the Trinity Episcopal Church in San Francisco for Alice Griffith, 94, San Francisco welfare worker who had a summer home in the Lake Tahoe area.

Cross From Europe—

Charles Cross, now in Scotland plans to start for the United States the first part of March after an extensive tour of Europe.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular Meeeting February 2, 1959.

Present: John T. Trauner, Clerk; Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order at 10:05 a.m. by the Chariman of the Board and the following members were noted as present: Mosco F. Smart, W. W. Bishop, and Henry G. Loehr. It was noted that Supervisors Robinson and Coughlan were absent.

A motion was made by Supervisor Smart. duly seconded and passed unamously, directing the Clerk to publish the proceedings of the Board in the Sierra Sun for the month of February, 1959.

The minutes of the meeting of January 5th, 1959 were read to the Board by the Clerk and a motion was made, duly seconded and passed unanimously, approving the minutes as read.

Letters were read by the Clerk from the City of Nevada City, the Nevada City Elementary School District and from the District Attorney requesting that taxes that had been paid into the County on the Public Utility Roll under protest, be apportioned. A discussion was held with the District Attorney and Supervisor Loehr, and a motion was made by Supervisor Loehr, duly seconded and passed unanimously, directing the Auditor to apportion the taxes that had been pair under protest.

The County Clerk entered into a discussion with the Board in regards to having the documents in his office micro-filmed. The District Attorney, Harold Berliner, who was present, stated that he was in favor of such procedures and that he felt that it would be the most efficient manner in modernizing the Clerk's office. The Clerk was authorized by the Board to contact various firms who are in the micro-filming business to have a survey made of his office, and to prepare an analysis and estimate of the cost of such micro-filming to present to the Board at a later date.

Mrs. Margery Worth appeared in the Board room and entered into a discussion on the feasibility of the authorization for her to extend rent to indigent persons for a period of one month. A motion was made, duly seconded and passed unamiously, authorizing the Welfare Department to care for indigent persons until a subsequent Board meeting.

Mrs. Worth then entered into a discussion on certain personnel problems in her department and the matter was deferred until the afternoon session.

Judge Fosten Wilson appeared in the Board room and reported to the Board that he does not have enough money to operate his Court, and that he has been forced to curtail some of the activities of the Court. Mr. Bunker, the County Finance Director, gave a few remarks on the reasons why the transfers have not been sent through. The District Attorney also appeared on behalf of Judge Wilson and rendered the opinion that the Board must provide necessary supplies for the Court.

At this time the Chairman announced that the 16th day of February would be the next Board meeting.

The Board having scrutinized the claims payable by the County accuring during the month of January, authorized the following to be paid:

Fund	Warrant No.	Amount
General Fund	1753-1939	$13,461.24.
Hospital Fund	342-391	$7,635.02.
Welfare Fund	9656-9701	$2,792.53.
Welfare Assis. Fund	9702-10768	$84,230.37.
Spec. Rd. Imp. Fund	479-546	$17, 265.29.
Veteran's Build. Fund	54-61	$515.00
Com. Nursing Fund	16	$8.40
Promotional Fund	44-55	$957.14.

At this time the Chairman adjourned the meeting for lunch to recovene at 1:30 p.m.

AFTERNOON SESSION:

The meeting was called to order at 1:25 p.m. and it was noted by the Chairman that all members of the Board were Present.

The Purchasing Agent entered into a discussion with the Board on the replacement of the boiler and furnace in the Courthouse and informed the Board that he had received the following bids: Alpha Hardware Co. 4800.00, and Ricker and Hatch Plumbing $4500.00 A general discussion ensued with Mr. Briggs of the Alpha Hardware Store participating. The Clerk was directed to write to the Department of Industrial Relations requesting an extension of time on the replacement of the boiler.

A discussion was then held on bills that had been contracted by department heads not following proper purchasing procedures. A motion was made by Supervisor Smart, seconded by Supervisor Loehr approving the purchase of the film of the old Gilmore airport from the Library of Congress. The motion passed unanimously.

It appearing that the County Hospital had ordered drugs from the local drugstore, a motion was made by Supervisor Smart, seconded by Supervisor Loehr, authorizing the Auditor to pay those bills even though the proper procedure had not been followed. Upon a roll call ballot the following vote was recorded.

Supervisor First District	aye
Supervisor Second District	aye
Supervisor Third District	no
Supervisor Fourth District	no
Supervisor Fifth District	aye

It appearing that four-fifths majority of the Board had not voted in favor of the payment of the bill, claims were denied and were referred to the Purchasing Agent.

Mr. N. F. Dolley, President of the Truckee Donner Chamber of Commerce, appeared in the Board room and requested that a parking ordinance be passed in the town of Truckee creating a two hour parking limit on the main street of Truckee. No official action was taken by the Board at this time.

Mr. Dolley then discussed the Rocking Stone Tower in the Truckee area which is a historical monument in that area. Mr. Dolley was interested in the possible rehabilitation of the tower and the matter was referred to Supervisor Loehr for his investigation and subsequent recommendation.

Mr. Leroy Wilson appeared in the Board room and stated that he lived on Wet Hill and that three years previous to this date he had entered into an agreement with the Road Department, on the deeding of right-of-ways in exchange for establishment of corners on his property, and the execution of deeds by the County. A motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to issue a minute order to the County Surveyor directing said surveyor to establish the corners of the Wilson property and to prepare deeds on County rights-of-ways.

At the request of the Asssistant Director of Civil Defense and upon a motion made by Supervisor Loehr, duly seconded, Resolution No. 59-9 was adopted by the Board. Upon a roll call ballot a unanimous vote was recorded.

Mr. Harmon Rowe, a representative of the Division of Beaches and Parks of the State of California, appeared in the Board room and entered into a discussion on the establishment of a "Roadside Rest" on the new alignment of Highway 40 between Soda Springs and Donner Lake. A motion was made by Supervisor Loehr, duly seconded and passed unanimously, directing the Clerk to write to the Chief of the Division of Beaches and Parks accepting such a plan.

Mr. Brunker, County Finance Director, rendered a report on the sales tax survey and the method used by other Counties to arrive at a division of the revenues accuring from the sales tax ordinance.

Mr. Doyle Thomas representing the County Board of Trade appeared in the Board room and presented the Gold Cup award to the County from the Pomona Fair. The cup was accepted in the name of the County by the Chairman of the Board and Mr. Thomas was informed that the cup would be on display in the Court house lobby.

The Grand Jury report for the year and the audit report for the fiscal year 1957-58 was filed with the Board at this time. It was the suggestion of Supervisor Loehr that the reports be read to the Board at the next meeting.

A motion was made by Supervisor Robinson, duly seconded and passed unanimously, appointing William Vogt as Director of District Five of the Nevada Irrigation District, and directed the Clerk to issue his Certificate of Appointment forthwith.

Mr. Robert Graham, County Road Commissioner, appeared in the Board room and entered into a discussion with the Board on the division of F. A. S. money accuring to the County in the next fiscal year. After a discussion by the Board, a motion was made by Supervisor Loehr, seconded by Supervisor Robinson and passed unanimously, dividing the 1959-60 money equally between the Mooney Flat Road and the Brockway Road in Truckee.

Mr. Alan Hart, District Engineer of District III, Division of Highways appeared in the Board room and entered into a discussion on general highway policies. A motion was made by Supervisor Loehr, duly seconded, to adopt Resolution No. 59-10. Upon a roll call ballot a unanimous vote was recorded.

A motion was then made by Supervisor Robinson, duly seconded, to adopt Resolution No. 59-11, and upon a roll call ballot a unanimous vote was recorded.

A discussion was held with Mr. Hart on a public hearing in the Truckee area on the new state highway to Hobart Mills. The tentative date for such hearing was March 17th at the Legion Hall in Truckee.

Mrs. Margery Worth appeared before the Board and requested action on a recent minute order issued by the Board to dismiss a Social Worker. After a lengthy discussion, a motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to issue a minute order authorizing the employment of Mrs. Ruth Martin on a promotional basis, subject to her filing a written waiver of the provisions of Section 2.21 of the Code of the County of Nevada.

At this time Supervisor Loehr was excused from further attendance at this meeting.

The Probation Officer, Floyd Pond, was granted the necessary permission to attend a committee meeting in Red Bluff on February 4th.

A motion was made by Supervisor Robinson, duly seconded and passed unanimously, authorizing the Superintendent of Schools the necessary permission to attend a conference of County Schools Superintendents, on February 4th and 5th in Sacramento.

A written request was received from the Board of Trade requesting to permission expend a sum not to exceed $150.00 to maintain a Tourist Courtesy School. After the District Attorney had confirmed that such an expenditure would be legal and that all expenditures would be handled by the County Purchasing Agent, a motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to issue a minute order to the Purchasing Agent authorizing expenditures not to exceed $150.00 for the support of a Tourist Courtesy School.

There being no further business to come before the Board at this time, a motion was made, duly seconded and passed unanimously, to adjourn to meet again on February 16, 1959.

W. W. BISHOP
Chairman of the Board

STRICTLY STRICKLAND

By Bill Strickland

The Sierra Sports Writers and Sports Casters Association had as their guests, at the weekly luncheon, the members of the Russian ski team and entourage, which is now competing in Squaw Valley. All told there were 16 in the group, which, besides eight competitors, included interpreters, coaches, trainers and doctor. One of the two women apline racers was the recipient of a bronze medal, for third place, in the 1956 Olympics at Cortina, Italy.

Ty Cobb, of the Nevada State Journal, asked about the provisions made for training, and received a very interesting answer. Those who are attending college are paid to compete in athletics. Quarters are provided, training facilities are available, and they follow a very rigid 4 hour per day training schedule. They are certainly in top physical condition, as is being attested to in their placements in the North American Championships. Both women in the top ten in slalom—one in second place behind the F.W.S.A.'s Linda Meyers.

Maybe if some of our western youngsters had had just the benefit of the four hours of daily training, they would be competing now instead of being out of the running because of injuries received due to lack of conditioning. Those who are not competing would make a team that any country would be mighty proud of too. Ronnie Rau of Soda Springs, Starr Walton of Sacramento, Laurie Wakeman of Tahoe Valley, Sam Salmons of Reno, Jackie Davenport of Pasadena, Don Murphy of Reno and Lee Vining, and just recently, John Cress of Squaw Valley. Right there are seven of the finest representatives to ever come out of the west but here it is time for the big one, and they aren't able to take part in it. Too bad. It causes me to wonder if the California Athletic Commission will step in, as they do in many other sports, and insist upon proper training and physical examinations.

* * *

Those in charge of the sports programing are being raked over the coals, but plenty, by the business people in the area, because of their telecasts and stories advising people to stay home over the Washington's Birthday weekend. It's true that a large crowd was expected, but we've had huge crowds before. What the programers evidently did not know was that the success of all of the operators on the Hill does not come from those who can be accommodated overnight, but instead, from those who are on a one day outing only. Those who arrived at 8:30 a. m. and leave at 4:30—and, are replaced the following day by a complete new group who are up for one day only. Lots of preparation and planning go into estimating the daily needs on a busy weekend. A large percentage of merchandise is perishable. As a result of misformation, this Washington's Birthday will be remembered as a very expensive one by most of the operators on the Hill. One bad holiday can take all of the profit for the entire short winter season.

* * *

Despite the heavy snows of the past two weeks, Todd Bales and his crew have maintained the two miles of road leading in the Sierra Lakes Club. In fact they have been able to carve a 100 car parking area at The Palisade turn-off. Most of their arriving members have chosen to leave their autos there, and, go on in by weasel drawn sleigh. We've overheard some of the adult-comments, and they are spoken as would a teen-ager. A Sleigh Ride? I wouldn't miss it for anything! Now, if they would just get a Dog Team too.

Frank Allan, arrives every Friday evening, and stays until Monday morning. As president of this completely new approach to a winter and summer resort, he makes a point of greeting members by their names, and tending to their every request.

* * *

Jimmy Heuga of Squaw Valley is proving to all of us just how hot he can really get. Jim's first run in the N. A. slalom was a very creditable 71.3 seconds. We talked to Dad Pascal, and received this comment, "Sure it was good, but not fast enough. He's going to pull out all the stops on his second run, and go full bore all the way". Needless to say, that's exactly what he did, and beautifully. As a result of that second superb run of 69.2, he vaulted from eleventh to seventh in the combined results—some past champions were completely over shadowed as a result too.

Jim's competition was good, he was better. At the end of the slalom event the only Americans to lead him were: Bud Werner—ranked 4th in World Competition. Marvin Melville, a 1956 Olympian, and who incidentally, was tied by Jimmy for 1st in Nevada's Silver Dollar Derby three weeks ago, and, James Barrier, a real comer from junior competition, from Kalispell, Montana.

Other finishers from the Far West Ski Association in the field of sixty three were:

Dick Miller-14th; Dick Dorworth-15th; Gary McCoy-17th; Tom Dempsey-31st; Ken Lloyd-34th; Gardiner Seith-59th.

Squaw Valley's Smiley Tschopp almost matched Jim's dominance in the F.W.S.A. women's field. 10th at the completion of the first run with a 65.7 and winding up eleventh in the combined standing after a deliberate 69.5 for the second run. She also surpassed the efforts of some of our past champs. Nonie Foley, a 1956 Olympian, was one of them.

Linda Meyers' two runs were outstanding and gave her a full second over Sally Deaver of Philadelphia, a 1956 Olympian.

Beverly Anderson of Idaho, and Joan Hannah of Mammoth Mountain will certainly be top contenders.

We are particularly impressed with Jack Geyers operating in the press building, and the speed and efficiency of Ramac, the electric brain. We happened to be in the press building along with Carson White and Bill Berry, just as the last runner in men's Slalom completed his run. Just seven and one half minutes later the complete results were placed in our hot little hands. Seven and one half minutes compared to at least a minimum of two hours in the old arithmetic and pencil way.

All during the ski competition, cross-country runners were practicing, as were jumpers, figure skaters, speed skaters, hockey teams, etc. Information was being fed into Ramac constantly and with the punching of a key, news of all that information would be printed, and, up to the minute results would appear seconds later.

* * *

First five results of the giant slalom were almost a complete American dominance, The F.W.S.A. girls placed two in the first five; the men's contingent from the west ran into difficulties through over the longer course, and almost all met their waterloo on the lower third where tired legs were asked to do a job that they weren't conditioned for.

Joan Hannah from Mammoth reversed her team · mate, Linda Meyers, slalom win, by shading Bev Anderson for first by two tenths of one percent. Linda was fifth. Third was Sally Deaver, Fourth, Cherie Gerbaz, from Aspen.

Christian Pravda took the men's G. S. in 120.6 seconds, followed by Bud Werner. Third was Stan Harwood of McCall. Fourth, Marvin Melville, Salt Lake City, Fifth, Verne Anderson of Canada, Harwood and Anderson really moved up. Harwood had placed 46th in Saturday's Slalom, while Anderson was 32.

Cathy Zimmerman of Reno placed tenth among the Women.

Smiley Tschopp had tough luck and placed far down at 23rd.

Ken Lloyd was the top F.W.S.A. placement among the men, 10th.

Other F.W.S.A. finishes were 17th, 32nd, 33rd, 41st, 58th and 60th.

Results of the Downhill and Combined will be found in a separate item.

Starting tomorrow the cross country team will get into action followed by the ski flyers. Jumping is a wonderful spectators sport,

OPENING FRIDAY

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL

STUDENT BODY COUNCIL: Wednesday, the ballots were counted. The results of the student body election are as follows: president, Ricky Krips; vice president, Wendy Boatman; secretary, Gregg Moore, treasurer, Estelle Howell, sergeant at arms, Ronnie Baker and Larry Free.

The student body council voted to show two more movies. "The Thing", a scientific-fiction movie will be shown March 6th at 7 p.m. On March 13th, another science-fiction movie will be shown, "Monster from the Black Lagoon". The admission will be 50c for adults and 25c for children of all ages.

KINDERGARTEN: This week the class is celebrating George Washington's birthday by making red and blue hats.

FIRST GRADE: Ricky Decker, Janet Stumbo, Jeannie Albin, John Gorrindo, Sally Templeton and Patty Graton read a story to the Kindergarten class.

SECOND GRADE: Miss Mary Lamy, consultant from the county superintendent of schools' office, visited our classroom, Wednesday.

Duane Hubbard transferred to San Rafael—his former home. This leaves our enrollment at thirty-five.

Karen Malley, Carole Salas and Mickey Barker brought records to share with us.

THIRD GRADE: Mrs. Brandt and Mrs. Hiatt, room mothers for our room, gave our class a very nice Valentine's party last Friday. They gave each of the children a bean bag which we later used for an indoor game. Candy, cookies and punch were enjoyed by all. We wish to thank our room mothers for making this such a lovely day.

We have started work on our assembly program for next week. We are displaying our best arithmetic papers, those which were neat in arrangement as well as correct in the arithmetic work. The ones whose papers are on display this week are: Bobby Brandt, Georgia Burris, Carol Dr Vito, Dyanne Lausche, Greg Pope and Rocky Riggs.

FOURTH GRADE: We have spent quite a little time preparing for our P. T. A. program this week. We studied choral speaking and and gave a poem and also sang several American Folk songs; "Bought Me a Cat", "Clap Hands" and "The Rain Has Stopped".

All of the fourth grade enjoyed a Valenine party last Friday. Our room mother Mrs. Graton furnished candy for everyone and we also enjoyed ice cream, cookies and valentines.

SIXTH GRADE: Lisa Davis has been absent a few days because she fractured her ankle.

The officers from our room in the student body are: Wendy Boatman, vice president, Estelle Howell, treasurer, and Ronnie Baker, sergeant-at-arms. At the time the news had to go to the office, it was undecided whether Marie Wainscoat or Karen Critchley were going to be secretary.

Those getting one hundred per cent in our weekly spelling test were: Ronnie Baker, Wendy Boatman, Carl Brooks, Bob Holley, Estelle Howell, Susan Knapp, and Susan Graton.

SEVENTH GRADE: On Friday, the 13th, the 7th grade elected new officers for our class. The officers are: president, Ricky Krips, vice president, George Day, secretary, Sandra Riggs, treasurer, Kim Malsberry, class librarian, Sharon Korsun, chalk board, Marcia Sims, assistant, Bill Bate, record player, Madelyn Krammerer, assistant, Karen Henry.

TRUCKEE ELEMENTARY

SECOND GRADE: George Washington wore a three cornered hat and so did the second grade at Truckee Elementary.

This week we have had a semester review of all words we've learn this year so far. Out of 127 words Curt Mullis and Bruce Leamon had a perfect score.

THIRD GRADE: Jerry Neugebauer, Thomas Holleman, Shirley Davis and Michael Kydd received an "A" grade in their spelling for this week.

Our aquatic and potted room plants have been flourishing nicely. Jennifer O'Bear, Kenneth Brethauer, Shirley Davis, Diane Daly, John McGlade, and Chris Kumle have donated and cared for them.

THIRD AND FOURTH GRADES: Those people who made 100 per cent in spelling were: Karel Sauby, Pam Horman, Wilbur Glenn, Rod Farley, David Curtis, Linda Russell, Mike Davis, Jill Wurst, Bill Rose, Len Vind, Kathryn Braasch, Jack Melugin, Rhonda Manley, and Dana Scanlon.

Those who did a good job in oral reading today were Charles Collier, Mike Davis, Len Vind and David Higgins.

FOURTH GRADE: Finger-painters turned loose during the week were Darlene Doolittle, Marianne Moore, Beverly Holleman, Heidi Euer, Karen Hedlund, Gail Englehart, Chris Foster, Russell Glenn, Stephen Weiler, Craig Mullis.

Leading the group in singing were Gail Englehart, Heidi Euer, and Lynn Stewart.

Mike Grayson's map of Donner Lake, Tahoe and vicinity will be of help in social studies.

FIFTH GRADE: The fifth grade staged their first forensics or public speaking contest. Top honors went to Larry Digesti, who did a masterful job. Miss Diane Pankoke and Betty Saarni ended in a tie for second place. Close behind and equally as proficient was Candy Hamilton. Other outstanding speakers were: Chuck Trainor, Monty Straub, Pam Harp and Karen Walker.

SIXTH GRADE: David Sorani and David Watts are planning to make a barometer. They have designed types and plan to build them both so they can compare their efficiency.

TAHOE LAKE ELEMENTARY

FIRST GRADE: Top spellers this week: Carl Larson, Lisa Beckman, Sharon Christensen, Laura Hoxie, and Sally Starratt, who made 100 on all three tests. Twelve other children made 100 on two of the three tests.

Many children are still out suffering from measles and mumps.

SECOND GRADE: The second grade science study on volcanoes brought forth some good reasearch reports from EricPoulsen, Vernice Bean and John Spitsen. John also brought some beautiful pictures from Geographic Magazine, showing the eruption of a new volcano in the Atlantic.

The story of Abraham Lincoln was enjoyed by the second grade, and during the writing period many good copies were made of important parts of the story. The best copy work was done by Ray Street. Portraits were also made. The best likeness was drawn by Denise Kimball.

THIRD GRADE: After several weeks delay due to sickness, we have started our competition in "Subtraction Combinations". Two teams were chosen with Anna Marie Conners and Ann Starratt as captains.

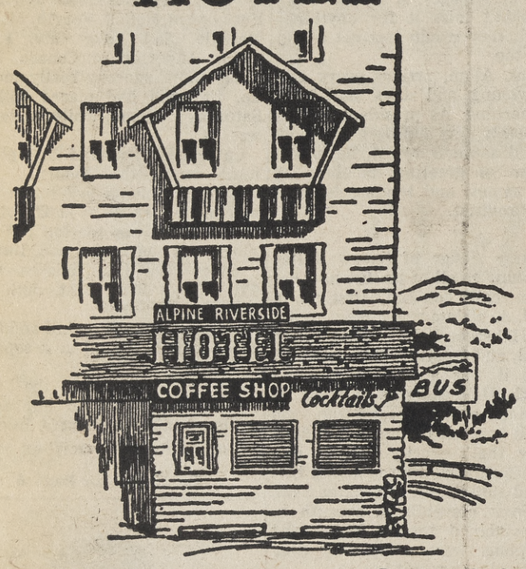

With the first half of the school year completed, the following pupils have worked hard and have shown improvement in their work: Mike Burmer, Rodney Conine, Breezie Cross, Tommy Carnell, Mike Dempsey, Tommy Easterly, Tommy Hoff, Jackie Jones, Michael Keechler, Ernie Marier, Kim Marvin, Bill Rabska, Bro Shontz, Pam Bradley, Alice Brandstrom, Anna Marie Conners, Tabor Griswald, Denise Henrikson, Leah Howard, Janet Jorgensen, Dianne McBride, Karin Meixner, Barbara Nielson, Ann Starratt.

FOURTH GRADE: The following children received A's in a 124 word spelling dictation: Dick Pomin, Rosemary Wray, Paul Sullivan, Jon Caulkett, Darlinda Stark, Lynn Harper Jimmy Bechdolt and Tad Hall.

Georgianne Luffy became our new multiplication champ for the week while Tad Hall remains our spelling champ.

FIFTH GRADE: Perfect scores in spelling were received by Alex Cushing, Julianne Bechdolt, Cheryl Flory, Jerry Jorgensen, Judy Ingram, Cathy Conners, Greg Sumners, and Jeff Lodi.

COMPLETE INVESTIGATIO N

• • • •

Last week, at the request of a large number of petitioners, a thorough and minute investigation of the financial and operative affairs of your Truckee Public Utility District was made. This survey cost your District $2500.

The finding of the investigation, which supplements an annual audit, will be forthcoming in the near future and will be published in its entirity.

Your Board of Directors and Management welcomes such investigations at all times, and the books and records are always open to the public for scrutiny. We feel that the public should maintain an active interest in the affairs of the District and constructive criticism is welcomed.

The District is constantly looking for ways to improve the service to you and if the current investigation will further this aim, it will be gratifying and well worthwhile.

DONNER SUMMIT NEWS

BY DONNA POWER

ARCADE SKIERS

Jim Winthers director of the physical education program in the Arcade School District near Sacramento, has begun a second "Learn To Ski Program". This week end for the first time approximately 40 boys and girls of all ages were transported to the Soda Springs ski area by their parents where they were given ski lessons. These children will do this every week end through out the skiing season spending two days here skiing.

ALPINE NIGHT

Paul Morant of Sacramento served approximately 50 skiers at his Swiss Alpine Night Saturday. The buffet dinner was served in the Snow Flake Resturant at the foot of the Soda Springs Ski Hill. Thanks was expressed to Mr. and Mrs. Bert Bacon managers of the restaurant who donated its facilities for the affair.

HOUSE GUESTS

Seventy-nine year old, Frony Weese arrived in Kingvale on February 15 from her home in Colby, Kansas, for a visit with Mr. and Mrs. Frank Zoll and son, Gary. Mrs. Weese says her plans for a return to Colby are indefinite.

OLYMPIC LODGING

Bill Cannon manager of the Soda Springs Hotel has invited all who own or operate a place of lodging in the Cisco, Soda Springs, and Donner Summit area to telephone him this week in an effort to select a time, place and date for a meeting among them all. The prime topic for consideration at this gathering will be the lodging prices to be set during the 1960 Olympics. Cannon feels that all charges should be uniform throughout the area, and not outrageously high.

WINTER SPORTSMEN

Washington's Birthday brought an extended weekend and the largest number of skiers yet to the area. Saturday and Sunday skiing was hampered only slightly by intermittent snow fall. Monday evening saw bumper to bumper traffic going down the mountain. This was also visitors to the races at Squaw Valley, and cause one to wonder what traffic conditions the Olympics will bring.

CAST OFF

Starr Walton has the cast off her foot and a new smile on her face. She is still being cautious on a pair of crutches.

BELDEN VISITS

Wednesday Dr. B. Belden of the Chico State College Department of Education arrived in a snow storm at the Donner Trail School to observe the teachers at work in the Classrooms. Principally, Belden was interested in the language arts subjects being taught. Before continuing on to Truckee, supper was served to the professor in the James Simmon home. One day per school will be spent observing and offering suggestions to teachers in the other schools in the Tahoe-Truckee School District.

GRATEFUL THANKS

Grateful thanks has been expressed by George Kaplanis chairman of the committee who collected

Truckee: Assumption Church 9:30 a.m.
Squaw Valley: Squaw Valley Lodge 9 a.m.
Tahoe City: Corpus Christi Church 8 a.m.
Kings Beach: Our Lady of the Lakes Church 11:30 a.m.
Confessions half-hour before all masses.

COMMUNITY METHODIST CHURCH
Kings Beach
Sunday school, 9:45 a.m. Preschool through high school and adult classes.
Morning worship, 11 a.m.
Sunday evening, 7 p.m.
Senior M.Y.F. Thursday evening 7 p.m.. Christian adventure. Fellowship, (7 and 8 grades).

TRUCKEE BIBLE CHURCH
(Non-denominational)
Roy S. Rhoades, Pastor
Sunday school, 10 a.m.
Morning worship, 11.
Sunday Evening Fellowship at the home of the pastor.

In the providence of God there are no accidents. Why was Christ crucified between two malefactors? The message will be dealing with this question and the second saying of Christ from the cross, "Today shalt thou be with me in paradise." The sermon, "Salvation" is a term that is abused, reviled, defamed and slandered today even as our Lord was those many years ago.

This being the first Sunday of the month will be our regular observance of the Lord's Supper.

CHURCH OF THE MOUNTAINS
(Methodist)
John Albert Taylor, Pastor
Phone Luther 7-3637
Church school, 7th grade and above, 10:15 a.m.
Pre-school and elementary grades, 11 a.m.
Morning worship, 11 a.m.

Attention is called to the fact that church school, for all ages, convenes at 9:45 a.m.

After considering the meaning of the Trinity a man once wrote: "As he that denies this—fundamental article of the Christian religion may lose his soul, so he that much strives to understand it may lose his wits." Surely those who have struggled with the concept of the Trinity can sympathize with such a statement. Sunday, Pastor Taylor will seek to explain this confusing doctrine in his sermon entitled: "What Can We Believe about the Trinity?"

NOTICE OF HEARING SETBACK VARIANCE CARNELIAN BAY

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Commission on March 13, 1959, and March 27, 1959, in the Courthouse, Auburn, Placer County, California, at the hour of 10:45 a.m. to consider an application for a variance to build a garage six feet from the property line on the following described property:

Commencing at a point on the west line of Lot 2 of Section 22, Township 16 North, Range 17 East, M.D.B. & M., distant thereon 663 feet southerly from the northwest corner of said Lot 2; running thence South 64½° East a distance of 304 feet; thence North 25° 00' East 128.0 feet: thence South 64° 30' East 76.0 feet to the most northerly corner of the parcel to be described hereby, the true point of beginning; thence South 64° 30' East 76.0 feet; thence South 25° 00' East to an intersection with the shore line of Lake Tahoe; thence Northwesterly along the shore line of Lake Tahoe to a point which will intersect a line running South 25° West from the true point of beginning; thence North 25° East to the true point of beginning.

Said variance is requested because of snow removal difficulties in the winter months.

At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

GORDON COLLINS,
Secretary Placer County Planning Commission

NANCY CAPERON,
Clerk of said Commission

NOTICE OF HEARING SETBACK VARIANCE BROCKWAY VISTA

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Commision on March 13, 1959, and March 27, 1959, in the Courthouse, Auburn, Placer County, California, at the hour of 11:00 a.m. to consider an application for a variance to close in the existing porch of a gift shop at Kings Beach, on Lot 24, Block "I", Brockway Vista Subdivision. Said variance is requested in order to improve appearance of existing structure and provide outside entrance to upstairs living quarters.

At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

Dated February 24, 1959.
Publish: February 26, 1959.
GORDON COLLINS,
Secretary Placer County Planning Commission.

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

"If winter comes, can spring be for behind?" And winter has come, belated but beautiful.

* * *

Squaw Valley is a-hum with activities. The main stairway in the Lodge reminds one of a department store escalator and the great porch is, as always, a delight to the eye and even to the ear. The few languages heard there Sunday must be just a faint pre-whisper to the wonderful babel next year will bring. These North American and Nordic events give a small idea of what the Olympic year will be like.

* * *

George and Ora Day, who spent several years in Japan after the war, had what Ora calls a small chance to repay some of the warm hospitality they had received over there. Tuesday night they had as dinner guests two members of the Japanese ski team, Osamu Tada and Keiko Inoue. Both of these young men are from Asakikawa in the Hokkaido province in Japan.

* * *

George Day has been spending his winter holiday from the Telephone Company working at Squaw. Many of our local men are working there too in all kinds of places: Bob Jorgensen, Pat O'Grady, Ralph Raucher, Dick Sprague, Malcolm Fox, Norman Wilson, to name a few. Dave McBride, our Ski Club president, is in charge of gate keepers and slopes.

* * *

Mr. and Mrs. Max Bretzfelder are having a guest that they are not too fond of although they find him most interesting. For several nights this week they have been awakened by a noise on the porch. Light has not frightened the visitor who goes calmly on eating the suet ond other food which the Bretzfelders have put out for birds. Mrs. Brentzfelder describes him as an awfully pretty skunk but there is a certain doubt in her voice as to his welcome.

* * *

Marian Moyer received a wrenched hip when Bob McMahon's car collided with hers on the curve of Highway 89 at Carl Bechdolt Jr.'s road. There just was not room on the icy road for a parked car and the two oncoming moving cars. Luckily none of the children was with Marian in what might have been a much worse accident.

* * *

Jaqui Campbell and Carolee and Chad are back in Tahoma with Bob after a lengthy stay in the desert. While they were gone Bob sort of commuted between here, the desert and Reno. Their many friends are glad to see the Tahoma house open again.

* * *

It seems we are never quite through with elections. There are the regular national, state, and county election, utility, fire and school district elections. Now we are going into a special election on April 7 to choose a state Senator for the 7th district to fill the seat vacated when Harold T. "Bizz" Johnson was elected to Congress. Ron Cameron of Auburn spent three days in Truckee, Tahoe City and Kings Beach meeting and getting acquainted with local people who will be voting. He made good sense to us when he said that this recreation area is not only important for the business and tax revenue it provides but important because of the number of people who live here year around, "You people", he said, "should have a lot to say in all areas of government from your supervisor on up and I would like to work with you to make your participation more effective." How does one say "amen" when he is not in church?"

* * *

The Women's Club of Tahoe found themselves quite busy with their helpful Information and Hospitality Center at Meads this last weekend. They helped several people find housing and gave out literature as well as coffee and rolls for the inner man. They will be open this weekend to beginning Friday noon for the Nordic events. Mrs. Howard Guth and Mrs. Gordon Brown are co-chairmen of this service ably assisted by Mrs. Phil Geier.

* * *

Mrs. Ernest Le Pire, president of the Women's Club, wants to remind members of their regular meeting March 5th at Rockwood Lodge in Homewood. The luncheon will begin at 12:30.

* * *

You will have already noticed posters giving advance notice of our firemen's annual ball. Save the date, March 14 at the Tahoe Inn. Firechief Al Henry says that assistant chief, Pete Vanni, is in charge of the affair. Tom Sheehan is writing the letters this year which go to out of town home owners almost all of whom buy "absentee" tickets to show their appreciation for the work and devotion of our volunteer crew.

* * *

Tonight the Tahoe Lake PTA meeting will hear Superintendent John Corbin give a report on our growing schools. Also, weather permitting, Mrs. Floyd Woodworth, president of the Third District of the State PTA organization, will give a talk on the advantages of the state and national organization. As most of you know, the PTA is discussing the pros and cons of an affiliated parent-teachers organization. Next month the question will be put to a vote as to whether the group will remain with the PTA or become an autonomous group.

* * *

May I close with a small personal note? Until further notice I will strive again to be the "Cholly Knickerbocker of Tahoe City?" It is so easy to leave out those things which ought to be in this column and so easy not to hear news that I beg your indulgence—and also your news. Just phone the above number any time with any item no matter how trivial. After all, it is the trivial which so often adds warmth to our lives.

Linoleum gets its name from the large amount of linseed oil used in its manufacture.

SUMMIT NEWS

funds for John Bishop at the time his back was injured as the result of a jump he made from a chairlift to aid an uninjured skier. A thanks would like to be expressed to all who helped in the fund raising and donating. Bishop is at present an ambulatory patient with some movement in his legs at his home in San Rafael where he is receiving treatment. Any money which is collected in excess of the amount needed for John's recovery will establish a fund at the Tahoe Forest Hospital for any ski patrolman who in the future may have the misfortune to be injured while serving.

More Californians travel around the earth than residents of any other, state twice as many as second place New York.

OFFICIAL HOSTESSES FOR GAMES NAMED

Mrs. Richard Walker, widely-traveled contributing editor for two national magazines and a well-known San Francisco social figure, has been appointed director of entertainment and protocol for the organizing committeee, VIII Olympic Winter Games. The announcement was made by Prentis C. Hale, organizing committee president.

At the same time, Hale named Mrs. Howland Meyer of San Francisco as directon of entertainment and protocol for Squaw Valley, site of the February 18-28, 1960 international winter sport classic.

Mrs. Walker's reponsibilities will include the entertainment for the delegates to the International Olympic committee in addition to arranging the various receptions and formal meetings required by the Olympic rules.

Mrs. Meyer will have similiar duties centered throughout the Squaw Valley area.

Both Mrs. Walker and Mrs. Meyer are experienced skiers and avid winter sports enthusiasts.

California is the Nation's largest canned food processing state, with an average of 217 million cases annually.

To California

...a glass of beer is many things

The Tournament of Roses, the most colorful New Year's pageant of them all, belongs to California. And so does a good glass of beer. It belongs, because it always means *light* refreshment.

And in this state beer means a whole lot more. To the 8,000 Californians in the Brewing Industry beer stands for a good livelihood. To *all* Californians beer means a bigger, better economy. Last year over $27 million of this state's revenue was made possible by the Brewing Industry—*just one more reason why beer means better living for Californians.*

ADVERTISER AT WORK!

Rising young businessmen, thirsting for sales, know that advertising works to spread the news. As you read the pages of this newspaper, you'll see examples of other, more mature, advertising at work.

Advertising works all along the line, from producer to consumer. Through your newspaper's pages, manufacturers and retailers inform you of new products and services, and *keep* reminding you of their established brands.

Advertising works to create a demand for *more* products, resulting in stepped-up production. Greater production leads to less unit cost—and the saving is passed on to you.

Advertising in this newspaper is news—good news—because it works constantly to inform you of the latest and best. It is a stepping stone toward an ever-higher standard of living.

MORE JOBS BETTER PRODUCTS LOWER PRICES
Advertising works for you!

as it all takes place right in front of you. In cross country, we can pick some names to watch for. From Norway, via Denver, Oddvar Ronnestad. Also from Norway, via Denver, Mauritz Sonberg. Pavel Koltchin, a 29 year old Russian Veteral Runner. Don't overlook Bob Strickland from Soda Springs and the F.W.S.A. He's made an effort to practice what I've been preaching about training and conditioning. Bob is in tip top condition and may fool an awful lot of people when the final results are published. I'll say one thing for sure. His efforts will have a capital "E".

* * *

Jim Winthers has initiated a junior racing program at Soda Springs. It will be fashioned along the same lines as Lutz Ayndeters' Edelweiss Red Hornets. He has two junior racing veterans to start with. Veterans, in spite of their tender years. Patty Kelley is eleven years old and is in the fifth year of junior competition.

Youngsteers from this area who wish to compete and race should contact Jim on the Soda Springs Hill. Ten youngsters from Sacramento's Arcade School District, have signed up for weekend coaching already.

The Sugar Bowl was the scene of the Oakland Ski Club's Annual Club Championship this past weekend. It is a Fun Race, open to all its members, and has never yet failed to provide keen competition and a lot of fun for all. Club and Inter-Club Races are growing in popularity every year. This year is no exception.

March 6-7-8 will be the final junior point meet of the year. Cross country, jumping, downhill, and slalom are all on the agenda. Top Point earners will compete in national competition just out of Yakima, Washington, March 20-21-22-23.

At Baguio, Luzon, in the Philippines, 46 inches of rainfall was reported in a 24-hour period, July 14-15, 1911, believed to be the world's record for the period.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

The first day for the Squaw Valley events was beautiful—sun shining—and a host of people turned out to see the skiers. Temperatures ranging in the 38 degrees. Roads are dry and many sight seers are up for the event. Plows have been kept busy clearing the roads. The rotary plow is always a pretty sight—throwing snow a mile high.

BRIDESMAID

Joellyn Ashton was a bridesmaid at a wedding in Brice, Utah. The wedding was the event of a school graduate from Holy Cross Hospital which took place on Valentines Day. The bride dressed in white and the three bridesmaids dressed in red velvet, carrying white muffs and head bands was a picturesque sight. Joellyn took the train from Salt Lake City and spent a couple of days there.

RECOVERING

Doctor Monica Briner has recovered enough that she is able to take up her duties at the hospital in Truckee. This will be a busy place for a few weeks due to the amount of tourists.

HOME

We are glad to report that Thelma Liddle is back home and it will be some time before she is up on her feet. She will have to return to the hospital for minor treatments in the near future. Her husband, Eddie, seems to be quite enthusiastic over her final recovery as we all feel. Keep up the good work, Thelma.

BANNERS & FLAGS

We want to congratulate the Tahoe City Rotary Club for their part in welcoming the visitors from all over the world and Lake Tahoe and other parts of the country, with their big signs of welcome. Constable Harry Johanson, in the midst of festivities is on the go day and night.

ATTORNEY VISITS

Franklin Tuttle, attorney of Auburn, visited Kings Beach over the weekend as did Rod Cameron, of Auburn. Frank has offices over the post office in Kings Beach.

COURT

Many traffic officers have been keeping the court busy during the past week when a large crew came up from Sacramento and other districts to help with the traffic situation over the Olympics tryouts.

GONE SOUTH

Gene Faulkner and his sister Leta have gone to Santa Ana to visit their mother and Icy LaBorde. They will return in a few days.

LIONS CLUB

The North Tahoe Lions Club visited the Truckee Lions last Wednesday night. It was very successful meeting with all attending.

HAT PARTY

Once again we want to remind the ladies of North Tahoe of the Hat Party on March 2nd. Don't forget 'Kitchen Gadgets' is the Theme of the evening. Please come and have fun.

RESIDENTS IN HOSPITAL

Sam Olson is in the Washoe Hospital at Reno and Fay, his wife, is in that city to be close to her husband. Gwen Robinson is also in Washoe for a complete physical checkup and Jack Brown is there with a back injury.

SHRINERS BREAKFAST

Members of Islam Temple of the Shrine converged upon Crystal Bay Club 150 strong for a Monday morning breakfast after a sojourn to Reno.

VISITS FAMILY

Kenny Lavery, stationed at Long Beach, spent the weekend with his family and friends.

LADIES' NIGHT

The North Tahoe Rotary Club was the host Monday night at a ladies' night program at Crystal Bay Club. The special program was presided over by Dr. Alan Sklar. the club president.

The power of vision attains its highest development in birds, which possess the keenest and most far-sighted vision.

NOTICE OF SALE

Under and by virtue of an execution issued out of the Superior Court of, in and for the County of Alameda, State of California, on the 23rd day of January, 1959, in an action numbered 284798 wherein W. A. Blackford as plaintiff recoverded judgment against J. E. Bledsoe and Evelyn V. Bledsoe, his wife, defendants, on the 24th day of January, 1958 for $5,682.65 dollars, lawful money of the United States of America, with costs of suit, and commission and fee of levying officer added thereon I have levied upon the following described property, to wit: Real Property in Nevada County, California, described as follows:

Lot 4 in Block A, Donner Woods No. 1 as shown on the map thereof filed in the office of the County Recorder of Nevada County, July 15, 1958, in Book 1 of Maps at page 90.

Which said real property stands in the names of James E. Bledsoe and Evelyn V. Bledsoe by virtue of deed from Myron B. and Elaine L. Clough dated September 26, 1957, and recorded September 30, 1957 in Book 237 of Official Records of Nevada County, page 261.

And notice is hereby given, that on Wednesday, the 11th day of March, 1959, at 10 o'clock a.m., in front of the Truckee Sheriff's Sub-Station, Truckee, County of Nevada, State of California, I will sell all the right, title, and interest of said defendants, J. E. Bledsoe and Evelyn V. Bledsoe, his wife in and to the above described property, or so much thereof as may be necessary, at Public Auction, for cash in lawful money of the United States, to the highest and best bidder, to satisfy said execution and all costs.

Dated at the Sheriff's Office, Nevada County, this 31st day of January, 1959.

WAYNE BROWN, Sheriff
County of Nevada
By Elmer Oates, Deputy
f 19-26-m5

IN MEXICO

Mrs. Harold Langille wrote from Guaymas, Mexico telling of a recent visit with Richard Joseph, his sister, Mrs. Roxie Archie and Mr. and Mrs. Joe King of Kings Beach. The local people continued into Mexico. All have been enjoying the balmy weather, acquiring sun tans and fishing at their leisure.

Health is Wealth

NEVADA COUNTY HEALTH DEPARTMENT

Submitted By L. D. Nelson, M. D., Assistant County Health Officer

UNDULANT FEAVER (Brucellosis)

Undulant fever is known by several names. One form was prevalent years ago in some of the mediterranean islands and was given the name "Malta fever." The name "undulant fever" indicates that the fever is not constant but comes on waves or undulations. The name "brucellosis" was adopted because all forms of the disease are due to infection with one another or another member of the bacterial group brucella.

Until a few years ago, there was no specific treatment for the disease. Today, cause of brucellosis are brought under control with anti biotics, together with proper medical care under the supervision of a physician.

Brucellosis is not contagious in the ordinary sense, since it is very rarely carried from one person to another. It is, however, constantly carried from animal to animal, and from animal to person, and is in that sense communicable. The animals which harbor the germ are chiefly domesticated goats, cattle, and hogs. Each kind of animal has a particular kind of brucella germ which is characteristic of it but each can be infected by any of the three kinds. People who drink raw, infected goat's milk are likely to get the goat variety, the original Malta fever. Those who drink infected cow's milk are exposed to the abortus variety. (This form also causes great losses in the cattle industry due to the premature birth of calves.) Infection with the hog variety produces a relatively severe disease in man and this type of infection is becoming more prevalent.

those are two principal ways in which the disease is acquired: (1) By drinking milk from diseased animals. Pasteurizing the milk effectually prevents this danger.

(2) By contact with diseased animals of their cascasses. Farmers, veterinarians, slaughterhouse employees, and butchers are exposed to this form of infection, as are those who handle infected meat in the kitchen.

Efforts are being made to eradate the disease from herds of the several kinds of animals which are affected. This may, in time, be successful, but in the meantime the danger must be recognized and other preventive measures taken.

The danger of brucellosis is a powerful argument in favor of universal pasteurization of public milk supplies. It is practically impossible to be sure at any given time that a herd is free from the bacillus. Persons who are exposed by reason of their occupation should be fully informed of the dangers, and should take precautions against unnecessary exposures.

Attorney for Administrator
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

IN THE MATTER OF THE ESTATE OF MARY E. NYE, Deceased
No. 5834

NOTICE OF ADMINISTRATOR'S SALE OF REAL ESTATE AT PRIVATE SALE

Notice is hereby given, that Albert J. Ahearn, administrator of the estate of Mary E. Nye, deceased, will sell at private sale to the highest bidder, upon the terms and conditions hereinafter mentioned, and subject to confirmation by said Superior Court, on or after Tuesday, the 3rd day of March, 1959, all the right, title, interest and estate of the said Mary E. Nye, deceased, at the time of her death, in and to real property hereinafter described, and all the right, title and interest that the said estate has, by operation of law or otherwise acquired, other than or in addition to that of said deceased, at the time of her death, of, in, and to that certain parcel of land situate, lying and being in the County of Nevada, State of California, described as follows, to-wit:

All that certain real property situate in the County of Nevada, State of California, and described as follows:

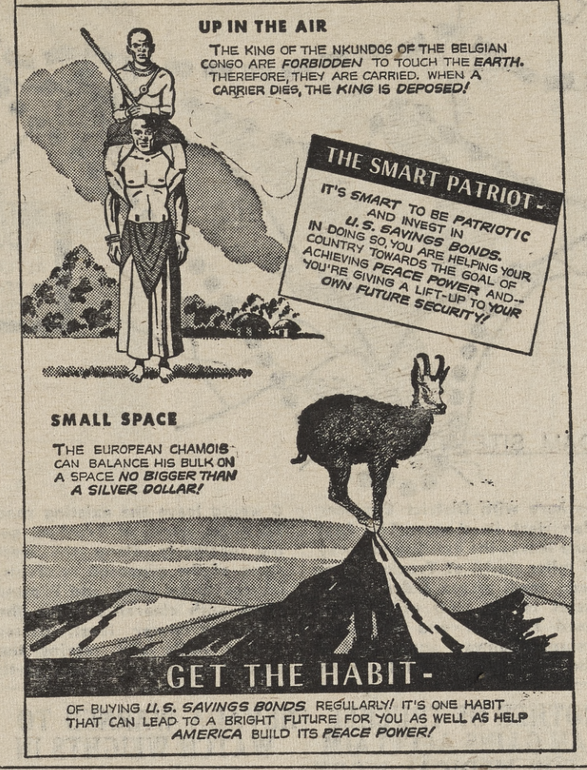

LOT Twenty-eight (28) and Lot Twenty-Nine (29), Block "H", as per the Official Map or Plat of the Town of Truckee, County of Nevada, State of California, on file in the office of the County Recorder of the County of Nevada.

EXCEPTING THEREFROM all that portion of said lots lying Northwesterly from the following described line:

BEGINNING at a point from which the ¼ corner in the North line of Section 15, Township 17 North, Range 16 East, M.D.B.&M., bears South 75° 57' 59" East 678.62 feet, said point is also distant 112.00 feet Southeasterly, measured radially from Engineer's Station "A" 68 | 50.00 of the base line of the Department of Public Works' Survey from 1 mile West of the Junction of State Routes 37 and 38 to near Boca, Road III-NEV-37, 38-D, A (The California State Zone II co-ordinates for said point of beginning are X-2,513, 190.47 and Y-611,001.09); THENCE from said point of beginning, from a tangent that bears South 46° 53' 25" West along a curve to the left with a radius of 6,888 feet through an angle of 9° 58' 44", an arc length of 1,199.64 feet, (the chord of which curve bears South 41° 54' 03" West 1,198.13 feet) to a point distant 112.00 feet Southeasterly, measured at right angles from Engineer's Station "A" 56 | 30.84 B. C. of said base line and Survey.

Terms and Conditons of Sale:

THAT'S A FACT

Cash, in lawful money of the United States; ten per cent (10%) of the purchase money to be paid at the time of sale, balance on confirmation of sale. Deeds abstract at the expense of the purchaser. The purchaser to assume the payment of, and to take the property purchased by him subject to all the state and county taxes, and all assessments of whatsoever name or nature, which are now or which may become hereafter chargeable to or a lien against the property purchased by him.

All bids or offers must be in writing, and may be left at the office of Wm. J. Cassettari, attorney for said administrator at 123 East Bank Street, Grass Valley, California, or may be delivered to said administrator personally in said City of Grass Valley. County of Nevada, State of California, or may be filed in the office of the Clerk of this court at any time after the first publication of this notice and before the making of the sale.

Dated: February 4, 1959.

ALBERT J. AHEARN,
Administrator of the Estate of Mary E. Nye, Deceased.

WM. J. CASSETTARI,
Attorney for Administrator.
F12-19-26

ORDINANCE NO. 228

The Board of Supervisors of the County of Nevada Do Ordain As Follows:

Section 1. That it shall be unlawful for any person to park or to leave standing any vehicle for a longer time than two (2) hours between the hours of 9 a.m. and 6 p.m. of any day, except Sundays and holidays, on that portion of Highway 40, fronting on the South side of Lots 1 through 29, Block B, as shown on the Map of Truckee filed in the office of the county Recorder, July 15, 1890.

Section 2. That the provisions of Section1 hereof shall be effective when appropriate signs giving notice thereof are erected upon such street.

Section 3. That the Road Commissioner of the County of Nevada, is hereby authorized and directed to erect and maintain, or cause to be erected and maintained appropriate signs on said street giving notice of the provisions of this ordinance and in accordance with the requirements of the Vehicle Code.

Section 4. That violation of this ordinance is hereby declared to be a misdemeanor.

Section 5. This Ordinance shall take effect and be in force at the expiration of thirty (30) days from and after its passage, and before the expiration of fifteen (15) days after its passage it shall be published once, with the names of the Supervisors voting for and against the same, in The Sierra Sun, a newspaper of general circulation published in the County of Nevada.

Adopted and Passed by the Board of Supervisors of the County of Nevada, State of California, This 16th day of February, 1959, by the following vote:

AYES: Supervisors Smart, Bishop, Robinson, Coughlan and Loehr.

NOES: Supervisors None.

ABSENT: Supervisors None.

W. W. BISHOP
Chairman of the Board of Supervisors of the County of Nevada.

ATTEST: JOHN T. TRAUNER
County Clerk and Ex-Officio Clerk of the Board of Supervisors.

CATHOLIC CLASSES WILL BE HELD HERE

The Confraternity of Christian Doctrine class will begin at the Catholic Parish Hall in Truckee on March 5 at 7 p.m, Father P. J. O'Neill announced.

Some of the people of the parish traveled to Reno last year for the first semester but the second semester when resumed will be held here. The doctrinal part of the program offered for this semester will be the Apostles Creed, Father O'Neill said. Lectures will be given by Father O'Neill and the second part of the class will be devoted to give participants a thorough knowledge of the methods of teaching built on psychology, with use of dramatics, illustrations and various other teachings and visual aids.

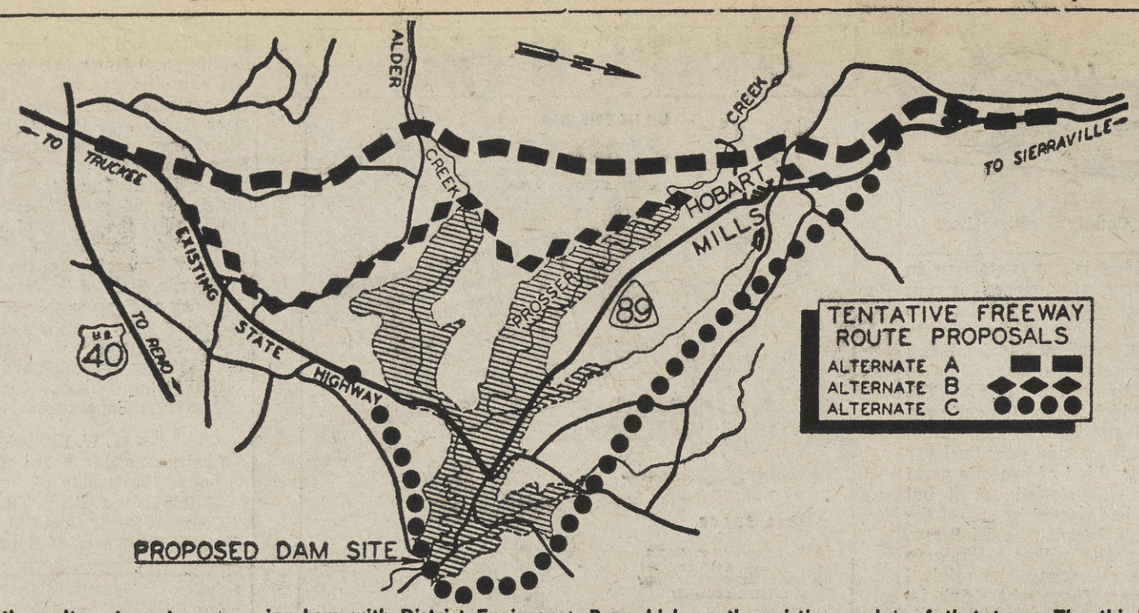

The method course will be given by Sister Eve of the Sacred Heart Order at Reno. All members of the parish are invited to attend from Kings Beach, Tahoe City, Soda Springs and Floriston as well as Truckee. A special invitation has been extended to those at the south end of the lake, Portola and Quincy. Classes are open to both men and women and members of the parish who attended the first semester in Reno.

Classes will be held every Thursday starting at 7 p.m. from March 5th until the course is completed.

Official Visit—

Tom Bright, head of the registration division of the state department of motor vehicles, accompanied by D. Bruce Greenwade, training officer for the department, were weekend visitors in Truckee and North Tahoe.

The San Francisco-San Mateo Cow Palace is the largest indoor arena in the west.

The three alternate routes proposed by the division of highways for the new freeway to be constructed around the proposed Prosser Creek reservoir north of Truckee are shown on the above chart. A hearing on the routes will be held March 27 at 1 p.m. in the Veterans Memorial Building here with District Engineer Alan Hart in charge. The first route leaves the existing highway 1.3 miles north of Truckee, proceeds north across Alder Creek, passes to the west of the proposed reservoir and joins the present highway again half a mile north of Hobart Mills. Route B would leave the existing road 1.6 miles north of Truckee, going northerly along the west shore of the proposed reservoir, crosses Alder creek and Prosser creek with clearance above the maximum water level, passes Hobart Mills and rejoins the present route half a mile north of that town. The third route, Alternate C, starts from the existing road at a point 3.2 miles north of Truckee and proceeds north to cross the crest of the dam, passes east of Hobart Mills and rejoins the present road a mile north of the community.

Dates Observed—

Everett Parker celebrated his birth date last Monday and Mrs. Charles B. White will observe her natal date on Saturday.

In South—

Mr. and Mrs. John Waller went south on vacation, meeting Mr. and Mrs. Clarence Osburn who were enroute home from Death Valley.

SPECIAL SERVICES IN CHURCH ANNOUNCED

Father P. J. O'Neil announces special mass schedule for the North American Championships ski events this coming Sunday.

The schedule follows:

Truckee, Assumption Church, 9:30 a.m.

Soda Springs, Beacon Hill Lodge, 8 a.m.

Tahoe City, Corpus Christi Church, 8 a.m.

Kings Beach, Our Lady of the Lake, 8 and 11:30 a.m.

Squaw Valley, Press Building, 7 and 9 a.m.

Lenten devotion will be observed with a daily mass at the Truckee church at 8:15 a.m. Daily mass will also be held at Tahoe City Wednesday and Friday mornings at 9 a.m. and Friday evening devotions at 8 p.m. At Kings Beach, the daily mass will be held Tuesday mornings at 9 a.m. with Tuesday evening devotions at 8 p.m.

BROTHER OF TRUCKEE MAN GAINS ACCCLAIM FOR MEDICAL WORK

Dr. John E. Affeldt, brother of Dr. Robert Affeldt of Truckee has discovered a rehabilitation program for the chronically ill which is being given wide publicity because of the proven workability for many persons.

The doctor has been nationally rated as one of the three top men in the treatment of polio throughout the United States and is in charge of the 3,000 bed hospital in Los Angeles.

The program, described by Dr. Affeldt before the CMA'S annual meeting, actually concerned an intensive rehabilitation program in Los Angeles County, but it could as well be applicable in San Francisco, which has nothing comparable.

He is medical director of Rancho Los Amigos, Los Angeles County's hospital for chronic cases—people generally left to rot in bed from paralysis due to everything from strokes to congenital diseases and accidents.

He and his colleagues organized two years ago a 35-bed intensive rehabilitation program within the hospital. The results have been little short of spectacular.

Over the two years—using every available technique of surgery, physical therapy and prosthesis—they have returned 71 per cent of 85 patients to their homes, with half of them back earning wages and paying taxes.

The average length of treatment under standard conditions for such patients. Doctor Affeldt said, is three and a half years—then to die or be turned forever bedridden to their homes.

Under the intensive care program, hospitalization averaged six and a half months.

The savings to the county per patient: $7,640.

But that is direct cost of bed and treatment. Actually the cost—in money alone, let alone human misery—is much greater.

PINE BEETLE THREAT ISSUED BY OFFICIALS

An "insect alert" was issued today by Regional Forester Charles A. Connaughton and State Forester F. H. Raymond against the pine engraver (Ips) beetle.

The detection warning originates from the forest insect division of the California Forest and Range Experiment Station—U. S. Forest Service. High temperatures and low precipitation last fall caused Ips beetles to multiply. The pine woods are full of them now. Beetles will emerge this spring looking for fresh slash in which to breed.

The stage is set for an epidemic of tree killing by these insects. Tree loss can be prevented by keeping the woods free of green slash. Promptly get rid of limbs and logs cut along rights-of-way or around construction jobs. Slow "housekeeping" of green slash disposal is generally satisfactory, but not this year.

Once the Ips beetle get rolling kill pine poles and big trees. They need slash to breed in so keep slash cleaned up.

Further information can be obtained from the local officers of the California Division of Forestry and the U. S. Forest Service.

WGY, Schenectady, experimentally broadcast the first drama by television in 1928.

"If you want to get rid of someone, just tell 'em something for their own good."

NEVADA WARNED TO WATCH WEIGHTS IN BOUNDRY BATTLE

SACRAMENTO — (CNS) — If sheer size means anything, it will be well for the Nevada State Legislature to look before it leaps on the California State Senate.

This was the observation today of Senator Paul L. Byrne, (R-Chico), California, who is an insurance man and therefore somewhat statistically minded.

Senator Byrne, concerned over the threat of Nevada to take over the eastern strip of California, which incidentally would bring the Nevada border up to his own county, tallied up the heighth and weight of California's state senate.

To a man, 39 of them, the California senate weigh exactly three and three quarters tons.

Divide this up by 39, and it is an average of 192½ pounds per senator, which is large enough in any man's army.

And as to height, the California state senate averages an even six feet, which is far above the national average.

Of course, Senator Stephen Teale (D-Tuolumne), who is 6'5", and weighs 262 pounds, the biggest man in the senate, contributes to a lot of this. Exactly 25 members of the senate measure six feet or more.

Small men are in the California senate, but there are a few, like freshman senators Albert Rodda, (D-Sacramento), who measures a mere 5'8" and 155 pounds, compared to his giant colleagues.

But, says Senator Byrne, if sizes counts, watch out Nevada!

Couple To Wed—

Robert D. Hoover, 34 and Elizabeth Wilson, 37, both of Kings Beach were issued a marriage license at Minden, Nevada.

VETERAN SKI JUMP BUILDER IS IN EAST

TAHOE CITY — Mrs. Marie Henry received a letter from Cora and Lars Haugen of Minneapolis who wished to be remembered to all the young old timers of Lake Tahoe. They plan to return for the 1960 Olympics. Haugen built the first ski jump in the west at Lake Tahoe's Olympic Hill, where in 1932 the Olympic tryouts and National ski jumps and cross country were held. He taught many of the young people of the area the fine points of skiing during their residence.

SINGLE CAR MISHAPS FREQUENT IN STATE

Single car accidents involving only one driver are on the upswing and are increasing faster than any other type, reports the California Highway Patrol.

Running off the road and other accidents involving only one vehicle increased 388 per cent between 1949 and 1957, declared B. R. Caldwell, commissioner of the patrol. Last year, more than half of all fatal accidents investigated by the California Highway Patrol involved only one driver.

"In a high percentage of these cases, excessive speed was the major factor contributing to the driver's loss of control over his automobile," Caldwell said. "Some of them were driving far faster than 55 miles per hour limit and, for one reason or another, let their cars get away from them. Others, traveling at a safe speed under normal conditions, failed to adjust their speed to changing conditions and thus were unable to meet the emergencies that arose."
